Tai ping tian guo shi cong kao jia ji / Luo Ergang zhu

Heteroatomic Conjugated Polymers and the Spectral Tuning of Electroluminescence via a Supramolecular Coordination Strategy.

SDR items in SearchWorks catalog

Chemistry of Materials 2014, 26 10 , 3074-3083. If you can improve it,. And while we are talking about Gansu, the Chinese language version of the taiping heavenly kingdom page says that the Taiping actually did go to Gansu, so where's not no Gansu source? Devolving into total war—with any and all civilian-associated resources and infrastructure as legitimate military targets—the conflict was the largest in China since the Qing conquest in 1644, and it also ranks as one of the bloodiest wars in human history, the bloodiest civil war, and the largest conflict of the 19th century, with estimates of the war dead ranging from 20—70 million to as high as 100 million, with millions more displaced.

Blue

Since the Taiping constantly at war with the Qing, the history section of the country article deals with much of the war. While this is true, it is lacking key information. Journal of the American Chemical Society 2006, 128 4 , 1188-1196.

Tai ping tian guo shi bian wei ji, (Book, 1950) [styleguide.expo.io]

Chemistry - An Asian Journal 2010, 5 12 , 2483-2492. Synthesis and Photophysical Characteristics of 2,7-Fluorenevinylene-Based Trimers and Their Electroluminescence. Don't know if European involvement is noteworthy here.

Syntheses and Structures of Novel Heteroarene

They cooperated with Qing government to fight Taiping. Synthesis and characterization of a novel fluorene-alt-carbazole polymer to host green, blue, and red phosphorescence. Chemical Physics Letters 2020, 745 , 137241.
