The kisses are usually done twice.

Types of Kisses and Their Meanings

But, she ended up kissing you on the cheek.

Cheek kissing

It is a deep kiss on the neck that may include a bit of biting and sucking. This is difficult for us conservative Brits where we are hung up about bodily contact between males unless we score a goal in football!! A hug alone may also suffice in both of these situations, and is much more common. Kiss on the ears: this gesture is charged with passionate sexual intention and power.
