Jalar Spanish to English Translation

There they stumbled upon a bizarre land guarded by monstrous crabs and inhabited by damaged, despairing Matoran. The Inika refused, pointing out that the real Toa Lhikan would never abandon such a vital quest. Afterward, the weakened Takutanuva could no longer hold the gate open, and it fell on top of him, splitting him back into two separate beings.

Halar o jalar

Jaller told Matoro to go on ahead without the rest of the team, who would stay behind to fight the Barraki. Antaño sí que se empleaba con ese sentido, pero ya no. Knowing that the five Toa could not win against the Barraki and their armies, Jaller decided to perform a , a last resort that would kill the Barraki, most of their sea creatures, and the Toa.
