Batadombalena The Abode Of Lanka's Ancient Apeman

The kingdom of soon expanded southward, initiating a tradition of conflict with the Sinhalese, though Rajarata—by then a largely depopulated country—existed as a buffer between them. And I stumble across the next hurdles in my path, be it a fallen tree or a fallen boulder or a low hanging branch, trying to locate the source of the sound and thus find assurance in this jungle lair. Gone are the rubber trees and the foliage thickens.

Daily Mirror

Polonnaruwa itself fell into the hands of non-Sinhalese elements, each vying with the others for power and office. The once-flourishing Rajarata became a devastated ruin of depopulated villages, overgrown jungle, and dried-up tank beds as the centres of Sinhalese arose in the monsoon-watered lands of the south, the southwest, and the Central Highlands. The first site chosen to reestablish the kingdom, however, was , about 70 miles 110 km southwest of Polonnaruwa; Vijayabahu III reigned 1232—36 and his three successors all part of the ruled from there.

Batadombalena The Abode Of Lanka's Ancient Apeman

On his first expedition 1405—07 Zheng landed in Sri Lanka but withdrew hastily; he returned in 1411, defeated the ruler Vira Alakeshvara, and took him and his minister captive to China. The surrounding jungle becomes denser.

SRI LANKA ANDU KRAMAYA HA DESHAPALANAYA

By the beginning of the 14th century, it had founded a Tamil kingdom, its capital at Nallur in the Jaffna Peninsula. The amount of water stored for cultivation was reduced, which in turn reduced the area of cultivable land.

Batadombalena The Abode Of Lanka's Ancient Apeman

Under Parakramabahu I the pursuit of an active and the many wars it involved were serious burdens on the treasury; indeed, the maintenance of a strong standing army and navy was a great expense for all the Polonnaruwa kings.
