Medicaid Programs for Adults

A candidate who does not schedule an exam during the 90-day period forfeits the application and all fees paid. This is especially so for a hard working individual that seeks job security and advancement. I have been an account manager for four years and am now a training manager! Having a partner like Vanguard gives us a competitive edge in running our facility.

Linen management for healthcare facilities and linen management services

Indian Health Service, PHS, HHS, Rockville, Maryland 20857. To help facility managers zero in on practices of comparable buildings, this report breaks down the responses by ten different types of facilities: owner-occupied commercial office, multitenant commercial office, higher education, K-12 systems, health care, hospitality, federal government, state government, municipal government, and retail.

Facility Staffing Levels: Maintenance, Custodial, and Grounds Care

Joint Commission on Accreditation of Healthcare Organizations, 875 North Michigan Avenue, Chicago, Illinois 60611.

OSHA Guidelines for Medical Housekeeping

Health care facilities, by their very nature, pose a number of challenges to building service contractors, including how they should be cleaned and the risks that workers will face. A Quality Assurance Program for housekeeping services shall be implemented in accordance with IHS, accreditation, and certification requirements.

Vanguard's Housekeeping Management Services

Even within those segments, however, there are significant variations in staffing levels. Mats should be used where possible, and wet floor areas need to be appropriately indicated.

Linen management for healthcare facilities and linen management services

Our patient experience programs have led to client nearly 50 percent higher than the industry average.

Mankato Nursing Home

Vanguard Resources is a valuable partner who provides outstanding facilities maintenance, housekeeping and dietary support. For example, custodial services can be provided more efficiently, in terms of square feet covered by a single FTE, in a 500,000 square foot high rise than in a K-12 system that offers pre-kindergarten in a variety of small spaces. Maintenance involves keeping buildings, equipment and machinery in safe, efficient working order and in good repair.
