Tales of a Traveller by Washington Irving: Introduction

Thank you for your kindness. I thought it was my duty to extend the invitation to Mr. In Malaysia, there are Indian and European influences, and all of these are tempered into the way they cook, into the way they eat, into the way they live.

Traveller's Tales

Thank you for showing me there is more to just having holidays. Nye, a woman with some pretense to true Southern culture, who prided herself among other things on entertaining Grand Duke Alexis, of Russia, with his suite, on his visit to this country in '76. He denounced alcohol in all its forms, and advocated in its place pure water; they were soon to have enough, and more than enough, of that! He held his camera on a baby seal, so we got this shot of the beach, and suddenly a whale swoops into the frame and grabs it, then lets it go because the seal panics.

Traveller'S Tale

At the present time Mr.

True Tales of a Traveller: A Career in Travel

Max remarked to me at the time that human life is very uncertain. The company waited for some time for him to resume his narrative; but he continued silent.

Traveller's Tales

It rather rarefies, and grows more inflammable, as the earthly particles diminish; and I have seen valor enough in a little fiery-hearted French dwarf, to have furnished out a tolerable giant.
