## Tips for Framing Artwork

It includes a photo gallery of frames that range from common to eclectic, traditional to modern. I prefer a combination of statement frames and simple, gallery frames.

## The encyclopedia of picture framing techniques (Book, 1993) [styleguide.expo.io]

The author covers several different methods in cutting a frame from a standard knife to an expensive professional cutting system. Traditional and modern finishing techniques create eye-catching effects.

Why cover wood, it's already beautiful. Buy Displaying Pictures: A Complete Guide to Framing, Arranging and Lighting Paintings, Prints and Photographs Mitchell Beazley Interiors 2nd Revised edition by Clifton-Mogg, Caroline, Feetham, Piers ISBN: 9781857320442 from Amazon's Book Store. There is also a comprehensive glossary and index that makes this book a truly resourceful volume.

## The Encyclopedia of Picture Framing Techniques by Robert Cunning (1993, Hardcover) for sale online

Clear and easy instructions allow you to master basic and advanced skills from carpentry to glass cutting for building, repairing, and restoring frames. The uninitiated in the skill of cutting and joining small pieces, especially mitered pieces, will be very disappointed at how the process has a higher than normal learning curve.
