Medical Terminology: A Short Course

This has quick efficient chapters that quickly teach basic terminology. The body systems are just a couple of pages in the appendix of the book and not really focused on much. **DETAIL** This books Medical Terminology: A Short Course Made by Davi-Ellen Chabner About Books Quickly master the basics of medical terminology and begin speaking and writing terms almost immediately! In addition, an Evolve companion website reinforces understanding with medical animations, word games, and flash cards.

styleguide.expo.io: Medical Terminology: A Short Course

I wouldn't get this book for a full course on medical terminology as it is just a basic, quick overview. It would have been great to use the blanks and practice sheets they had in here to write my own answers instead of transferring them all to notebook paper.

Medical Terminology: A Short Course [PDF]

We would like to ask you for a moment of your time to fill in a short questionnaire, at the end of your visit. Medical terms are introduced in the context of human anatomy and physiology to help you understand exactly what they mean, and case studies, vignettes, and activities demonstrate how medical terms are used in practice.

styleguide.expo.io: Medical Terminology: A Short Course

After every chapter it has a short test and an end of chapter review.

Medical Terminology: A Short Course, 8e: Chabner BA MAT, Davi

The authenticator seal is intact.
