**Measurement of the educability of severely mentally retarded children (1959 edition)**

Campbell, 3 EHLR 551:264 E. It represents 1% of the mentally retarded people.

**Timothy W., Etc., Plaintiff, Appellant, v. Rochester, New Hampshire, School District, Defendant, Appellee, 875 F.2d 954 (1st Cir. 1989) :: Justia**

Keep her age, attention span, and abilities in mind. Estimates of the rates of psychiatric coexisting conditions vary. Thus, minor abnormalities may provide clues to developmental problems of possible prenatal origin.

## **The Zone of Proximal Development**

The ABLE reports on Timothy indicate that he is handicapped, has educational needs, and would benefit from an educational program. It was unequivocal at the time of passage of the Act in 1975, and it has been equally unequivocal during the intervening years.

**Timothy W., Etc., Plaintiff, Appellant, v. Rochester, New Hampshire, School District, Defendant, Appellee, 875 F.2d 954 (1st Cir. 1989) :: Justia**

The child was referred to an early intervention program. They appear to be clumsy and untidy both physically and mentally and suffer from motor in coordination.

## **ERIC**

The family physician is encouraged to continue regular follow-up visits with the child to facilitate a smooth transition to adolescence and young adulthood.

## **Measurement of the educability of severely mentally retarded children (1959 edition)**

The Division on Autism and Developmental Disabilities is an organization composed of persons committed to enhancing the quality of life of individuals, especially children and youth, with autism, intellectual disability, and other developmental disabilities. Risk factors are related to the causes.
