But insofar as he attempts to state the empirical conditions, and on his own view they must be primarily empirical at this point, for departing from the medieval way of treating the heretic, he flatly fails.

The folklore of capitalism, by Thurman W. Arnold

Criticism is not spared but its point lies not so much in demonstrating that Hitler's ideas are unintelligent, an easy task, but in making his emotional tensions and thought construction intelligible. The outcome and consequences of those debates have set the tone for national life ever since. And in developing the implications of Arnold's theory of social causation, we shall make the startling discovery that he is committed to a point of view which, on his own analysis of the nature of folklore, is mythology.

The folklore of capitalism, by Thurman W. Arnold

In the absence of a theory concerning the interests which motivate ideologies, Arnold has no answer to the simple questions : Well, then, what's all the verbal shoot- ing about? STULL - Treaties Defeated by the Senate.

Educating American Lawyers: The New Haven School's Jurisprudence of Personal Character

Concerned to ensure jobs and wages, union leaders during the 1950s regarded the health of labor as wholly dependent on the health of corporations. Testing an hypothesis always involves, as Professor 32 REASON, SOCIAL MYTHS, AND DEMOCRACY Dewey has made abundantly clear, some directed transforma- tion of things, some experiment. Between 1945 and 1965, economic growth had substituted for a thorough going reform of American society.
