Traditional Paintings of Odisha (Orissa)

Hues utilized are red removed from press, darker from copper and white from lime mixes. Tour My India brings to you all the important details on how to reach Odisha by different means of transport along with information on where to visit and what to do on your Odisha tour.

Saora/Tribal Painting of Odisha

In the lost wax technique, first a model is made with easy to mold wax. As might be expected, the making of patachitras is a hereditary tradition, passed down generations. Applique art involves cutting small pieces of colored cloths into interesting shapes and patterns and stitching them over a larger base cloth.

Pata Chitra/ Scroll Painting of Odisha

Sir shall i use this information in my Heritage of India blog. Work Details: Saura tribal painting is a style of wall mural paintings associated with the Lauda tribals of the state of Odisha in India. Dried palm leafs are stitched together to form booklets or long pages and they are scribbled on with a sharp metal pen.

Pattachitra: A Spectacular Folk Art Form From Odisha

All of the poses have been confined to a few well-defined postures. This paste is made by 1 soaking tamarind seeds in water for about three days, 2 grinding them with a pestle till they are jelly-like in consistency, 3 mixing the ground pulp with water in an earthen pot, and 4 heating this into a paste traditionally called niryas kalpa. When mixed in the right proportion, it gives an antique look.
