### More of Milly

This first book in Joyce Lankester Brisley's Milly-Molly-Mandy series, which have charmed generations of children since their first publication in 1928, brings the characters to life with the authors original, iconic black and white illustrations. Perfect for reading aloud, these nine stories will bring back happy memories for parents and grandparents, and introduce younger readers to an enduringly popular heroine and her friends little-friend-Susan, Billy Blunt and Toby the dog.

### Read Me A Story: Milly

The stories are just the right length for newly independent readers, and will prove as enchanting to children today as they did when they were first published way back in the 1920s, though modern readers might need to consult their elders for explanations of strange things such as kippers, grocers and threepenny pieces. The Milly-Molly-Mandy Storybook was published in the UK in September 1996.
