The retreatist subculture is the exception that proves the rule of illegitimate opportunity structures. Criminological theories: Introduction, evaluation, and application. Those who associate with delinquents, deviants, or criminals learn to value deviance.

Perspectives on Deviance and Social Control

In this case, the goals and the means of the society are in balance. Still, differential association theory and the larger category of learning theories it represents remain a valuable approach to understanding deviance and crime.

7.2 Explaining Deviance

These explanations help us understand why some people are more likely than others living in the same kinds of social environments. School failure reduces their status and self-esteem, which the boys try to counter by joining juvenile gangs. The crack-cocaine punishment disparity remained until 2010, when President Obama signed the Fair Sentencing Act, which decreased the disparity to 1 to 18 The Sentencing Project 2010.
