OTF features like stylistic sets, ligatures, alternates, ordinals, and fractions are included.

Typographica

I also design custom fonts for. All shirts are unisex so a little boxy for women. However we also picked up a few to take back as souvenir gifts.

Typography

Dermatographia is a condition also known as skin writing.

Medici Oriental Press

They also have a website with a few other designs that aren't in their store. Ultra smooth and aesthetically pleasing TypoGraphica will make an attractive pick for your next display font.
