### BJ's fun week (1994 edition)

The mythology around long-term relationships and marriage is not just that

they get more comfortable but that they get boring sexually, as people stop trying so hard. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have a medical condition. It was later reprinted by Scholastic and when Barney was bought by HIT Entertainment.

### BJ's fun week (1994 edition)

Whilst many assume that there is the simple choice of spit or swallow you could actually just cum elsewhere- In a tissue, on our tits, anywhere but our mouths. Sure, it's not as much as I did when we first started dating, but oral is still a big part of our sex life.

### Lena Games

I'll be honest, I enjoyed the act more prior to meeting my husband.

### BJ's fun week (1994 edition)

The book chronicles BJ's adventures throughout the week. Comes in handy for school supplies and organization in the home. The longer you're in a relationship with someone, the more likely it is that will fall by the wayside.

### Ice Cream & Frozen Deserts

They haven't disappeared because they were never there in the first place. About Isabel is a writer, musician and radio broadcaster from Kansas.
