What remains to be done, however, is the full integration of infants and children into this process, although in several Anglican and Lutheran contexts infants now are again recipients of the full rites of initiation, including First Communion. This allows for parish catechetical teams to plan for the annual process several years in advance, knowing that Confirmation will take place either in the Easter season with Bishop Bambara or on Pentecost when it is conferred by the pastor or sacramental minister.

A small candle is lit from the Easter candle and given to the newly baptized as a reminder to them always to walk as children of the Light and to be the light of Christ to the world. What does the Sacred Chrism symbolize? From Mars to Lusus Troiae - The initiation rites of Roman warriors Mars is the ancient Italic god, represented - as told by Virgil - in the Archaic period with a headdress consisting of a helmet adorned by two pens; its sacred animals are the woodpecker and wolf, whose human aspect is represented by Picus, king of the Aborigines founder of Alba and son of Mars, and Faunus, son of Picus and therefore grandson of Mars. It is not, however, only the baptismal candidates who regularly experienced this process.

Christian Initiation & Sacraments

By this process people desiring to become Catholic learn about the faith. During this time, the Catechumens consider what God is saying to them in the Scriptures, what changes in their life they need to make to respond to God's inspiration, and what Baptism in the Catholic Church means.

Christian Initiation & Sacraments

Envisioned as an apprenticeship to the faith, this process is modeled after the order of the Catechumenate in early Christianity. This development of confirmation as a sacrament of strength and an increase of grace by the Holy Spirit, separate from baptism, must also be seen in relationship to the dominance of infant baptism and changes in Eucharistic reception and overall piety.
