Development Planning In Nigeria

Overview of good practice in Ireland In February 2007, ECO-UNESCO undertook a research project on behalf of Comhar SDC Sustainable Development Council on education for sustainable development in Ireland ECO-UNESCO, 2007. SDG4-Education: A key challenge confronting the country has to do with Out-of-School-Children, a demographic challenge that relates to an interplay between employment SDG-8, education SDG-4, poverty SDG-1 and the digital economy SDG-17.

Nigeria Overview

Similarly, an Inter-Ministerial Committee on the SDGs has been established and operational guidelines for the same developed to guide the coordinated engagement with Ministries, Departments and Agencies MDAs. The way we understand and theorize about curriculum nowadays has altered significantly over the years. The overall objective of the Guidelines for Impact Evaluation of Land Tenure and Governance Interventions is to inform and strengthen the design and implementation of future land tenure and governance interventions to best support lasting tenure security and achieve related impacts on poverty, food security, gender equality, environmental sustainability and security.

Education and sustainable development

Washington, DC: Advocates For Youth.

Economic Development in Nigeria: An Overview

One of the key priority programmes of the First National Rolling Plan was the strengthening of the on-going programmes of the National Directorate of Employment. Exports and government revenues are driven largely by oil, while most Nigerians work in agriculture.
