UHM Library : Japan Collection CD

N536 1996 An illustrated dictionary of Japanese place names. N14 OFFSITE A geographical encyclopedia, with copious photographs, covering Japanese archipelago and Japanese possessions overseas in 18 volumes.

Dai Nihon chizu.

Title on map: Bankoku chizu. Quotations often comprise the majority of the entry.

Dai Nihonshi

S54 1990 F in map case A massive volume published by the Geography Division of the Ministry of Construction. ETYMOLOGIES OF PLACE NAMES Caution is necessary in consulting these books. Y337 Useful for legend and lore of place names, but full of far- fetched etymologies.

Ch. 13: Places

Cites Yanagida Kunio's Chimei no kenkyû. In general, Heibonsha seems to offer more historical detail, but may provide less on the modern period, particularly such information as population figures or changes in administrative status.

104055499

Using military geographical surveys begun in 1878, it documents changes by including a map for each period; in addition there is uneven supplementary material which includes references to other maps. There are, incidentally, many prewar guidebooks, produced both by the national tourist agency and by private guidebook publishers like Terry's.
