.

Footprints in the Dust: Nursing, Survival, Compassion, and Hope with Refugees Around the World

They simply aren't able to show the stories of each individual man, woman, and child who have known nothing but suffering throughout their war torn, impoverished by should be required reading for everyone lucky enough to live in a first world country.

Footprints in the Dust

Compassionate, insightful, and honest, Gately's inspiring story is a timely reminder of the bonds we share, those that make us human and far more alike than different. The author is clearly an extremely accomplished writer who wears her heart on her sleeve and can truly say that she has made a difference.

Footprints in the dust: Buddha's travels in India

It is a memoir of a nurse who offers humanitarian aid first in Pakistan and Afghanistan and later on to Iraq and countries in Africa.

Footprints in the Dust: Nursing, Survival, Compassion, and Hope with Refugees Around the World by Roberta Gately

Hats off to these NGO workers who help patients in the direst need! Then the virus happened and live events stopped for a while, so we had to change things up. But who are these people? I kept looking for signs of hope as I read along. Roberta is a hero, who selflessly went into refugee

camps to help others, and now shares their sto There are books that speak to you and you remember their stories forever.
