WHO recommends one

Either I am suffering from a some sort of grand delusional psychotic condition or there must be something to the widespread condemnation. And, of course, we would have to abandon the attachment theory as that is based on all children being the same.

The Tavistock Clinic Series

The book represents the harvest of Meltzer's thinking and teaching, and covers such topics as dimensionality in primitive states of mind, dreaming, supervision, and the claustrum.

What is (or isn't) an equal opportunity employer?

But my son was wanted, loved and will always be.

Working safely during coronavirus (COVID

For parents with non-traditional work schedules, who may regularly work weekends, weekday parenting time should be substituted for the weekend time designated in these rules. It presents for the first time an account of the work on brothers and sisters by Sigmund Freud, Melanie Klein and Anna Freud, whose pioneering and vital work on sibling issues has not been systematically examined before. On Zoom, we're joined by Ursula O'Dwyer, Health Promotion Policy Advisor at the Department of Health.

The Tavistock Clinic Series

The intention of the event was to gather together child mental health and educational professionals from across Europe to share innovative practice. Alternating weekends shall be maintained throughout the year as follows.
