### Single parent? Tips for raising a child alone

Out-of-wedlock births are frequently not acceptable to society, and they often result in single parenting. You can't be afraid to ask for help and you have to be clear and specific about what you need, says Kowalski. If you see these signs in your child or teen, talk to his or her doctor.

### So, You're A Single Parent? A Complete Guide To The First Few Months Of Your New Life

At several previous office visits, the pediatrician unsuccessfully looked for an opportunity to discuss this observation with Jessica and her mother. Not many parents get regular time off from their kids to live like they did before having children.

Though it was a long and sometimes challenging journey, Kowalski is now on the other side. Your situation may not be perfect, but you are enough. Traveling is also made more complex, as the child must either be left in someone else's care, or taken along.
