## DAWN

Through its programs, Promundo has reached nearly 10 million individuals, including over 4,500 health professionals, over 22,000 education professionals, over 1,400 members of the police and military, and nearly 300 government officials. Many leading human rights NGOs are based in London. Indeed, some developed states prefer providing bilateral assistance to working with IGOs and multilateral institutions because resources can be better monitored and projects more carefully tailored to support donor state interests.

## DAWN

It also reviews existing public policies regarding protection of human rights defenders and contributes to the recognition of human rights defenders as actors of positive social change in the societies.

## DAWN

Moreover, the reports that this situation is unlikely to change through economic development alone. National governments sometimes resist adhering to international norms they perceive as contradicting local cultural or social values. Major regional organizations in the Western Hemisphere, Europe, and Africa—such as the OAS, the EU, and the AU—have integrated human rights into their mandate and established courts to which citizens can appeal if a nation violates their rights.

## Women's Human Rights and Gender Equality

The Men Engage Alliance works on engaging men and boys in gender equality and tries to build and improve the practice on engaging men in achieving gender justice. Thus, it actively works in partnerships with tribes to raise their voices on the global stage and help foster their self-determination.

## Sustaining Human Rights

As for child prostitution, diverse groups such as the UNICEF , the , the , the , the secular , the faith-based , and the have forged partnerships to identify and assist victims. Therefore, the HRWF is an active participant in several coalitions and networks advocating for the respect of these treaties. Every year, the Foundation distributes thousands of grants to groups and individuals who work on promoting tolerance, open debate and transparency.

## **WACOL NIGERIA**

However, HROs broadened the meaning of rights more in an attempt to achieve frame alignment with other SMOs than to gain media attention.

## **DAWN**

At the same time, however, people are increasingly demanding rights and attempting to bypass repression of illiberal regimes.
