Statistical Digest

The committee would like to reiterate that all students are included in the Bailiwick calculations, including those at our special schools or who were absent from school for health or other reasons.

USAF STATISTICS

In common with all other jurisdictions, results are provisional when announced. The VEMIS shows that the number of students enrolled in government primary schools has increased by 5.

Statistical Digest

USAF STATISTICS SINCE 1945 While the USAF Statistical Digests and Summaries are not AF History publications, the information they contain is valuable and often requested by researchers.

USAF STATISTICS

Some include organization charts, leadership lists, lineage of commands, installation maps, chronologies, etc. Current Statistical Digest EDUCATION: 2015 Annual Statistical Digest ASD Key results 1.

New GCSE results are readily available

The data will be joined with 2020 National Population and Housing Census data using small area estimation in order to provide valuable estimates of key indicators at the Area Council level. While the majority of jurisdictions, including England, Wales, Northern Ireland and our near neighbours in Jersey, only report a simple pass rate statistic on results day, Guernsey endeavours to provide three key performance indicators for each school as well as across the Bailiwick on that day. INCREASING ACCESS AND PARTICIPATION IN EDUCATION The overall enrolment in kindergarten, primary and secondary schools in Vanuatu is 80,800 students in 2015 of which 42,203 is male and 38,597 is female.
