William Blount

Image: Courtesy of Tennessee State Museum, Tennessee Historical Society Collection William Richardson Davie, North Carolina One of the eight delegates born outside of the thirteen colonies, Davie was born in Egremont, Cumberlandshire, England, on June 20, 1756. Blount's journey from the drawing rooms of the east to the rude frontier cabins of his adopted state not only illustrates the lure of the region to a man of business and political acumen but also underscores the fact that the creation of a strong central government that could protect and foster westward expansion was a critical factor in America's growth as a nation.

A Biography of William Blount 1749

Hillhouse to the Senate of the United States in 1808 quoted in Charles Francis Adams, The Works of John Adams, Second President of the United States with a Life of the Author, 10. Two years earlier, Washington had appointed Blount as Governor for the Territory South of the River Ohio which included Tennessee and also as Superintendent of Indian Affairs for the Southern Department, in which positions he increased his popularity with the frontiersmen.

The Founding Fathers: North Carolina

In 1793 he served as presidential elector.

A Biography of William Blount 1749

The following year, William Blount was elected as one of the four delegates from North Carolina to the Continental Congress.
