The Project Gutenberg eBook of Leonardo Da Vinci, by Professor Dr. Sigmund Freud.

As far as I've been able to see, she wrote only two books, the other being A Master of Discipline. Words truly do inhabit the entire spectrum from being everything to being asolutely unnecessary, even unwanted.

Thinking Sex Forum on Serendip

The manner of expression through which the repressed libidio could manifest itself in Leonardo, such as circumstantiality and marked interest in money, belongs to those traits of character which emanate from anal eroticism.
