

# Intraspecific chemical taxa of medicinal plants.

Chemical Publishing Co. - The Edible and Medicinal Plants of the Pacific Northwest ·  
iNaturalist

Description: -

-

Plant chemotaxonomy.

Medicinal plants -- Classification. Intraspecific chemical taxa of medicinal plants.

-Intraspecific chemical taxa of medicinal plants.

Notes: Includes bibliographical references.

This edition was published in 1970

Filesize: 7.26 MB

## Traditional Uses of Medicinal Plants in Artuklu, Turkey

PDF Phylogenetic tree *Panax ginseng* matK + rbcL. The matK region showed promising results for differentiating species within the genus *Passiflora*, but our analysis was ultimately unsuccessful because none of the databases contained this sequence for *P.*

## The Top Traded Medicinal Plants of southern Africa

Any taxon not already listed as E, T, or SC but which is rare in the state and needs monitoring. There were a total of 1045 positions in the final dataset. Carvalho D, Seerig A, Melo D, de Souza A, Pimenta D, Oliveira DAA 2008 Identificação molecular de peixes: o caso do Surubim *Pseudoplatystoma* spp.

## Core Microbiome of Medicinal Plant *Salvia miltiorrhiza* Seed: A Rich Reservoir of Beneficial Microbes for Secondary Metabolism?

Traditional knowledge of wild edible plants of Iğdır Province East Anatolia, Turkey. These samples could not be analyzed as the correct species or a substitutions, leaving the final dataset with a total of 233 samples. Acanthaceae: *Thunbergia venosa* Amaryllidaceae: *Boophone disticha*, *Clivia miniata* var.

## The Top Traded Medicinal Plants of southern Africa

All positions containing gaps and missing data were eliminated. This is your best option to move around within the list, as the list is over 4,200 rows in length.

## Traditional Uses of Medicinal Plants in Artuklu, Turkey

The evolutionary distances were computed using the Kimura 2-parameter method and are in the units of the number of base substitutions per site. All positions containing gaps and missing data were eliminated.

## **Vascular Plants of North Carolina**

All positions containing gaps and missing data were eliminated. Chamomile, flowers , Maytenus ilicifolia Mart. Taxa with no state status have this field blank on the plant list.

## **Intraspecific chemical taxa of medicinal plants. (Book, 1970) [styleguide.expo.io]**

. The evolutionary distances were computed using the Maximum Composite Likelihood method and are in the units of the number of base substitutions per site. The percentage of replicate trees in which the associated taxa clustered together in the bootstrap test 500 replicates are shown next to the branches.

## **Pharmacognostical Botany: Classification of Medicinal and Aromatic Plants (MAPs), Botanical Taxonomy, Morphology, and Anatomy of Drug Plants**

Evolutionary analyses were conducted in MEGA5.
