South African Death Notices for the MASHAO Families

When I was a kid in music class at the convent school the choir mistress would get me to turn the pages for the piano player. Her own mother tried to kill her when she was only 4 years old by stabbing her in the back of the neck with a kitchen knife. Those less illustrious of us were given time to speak.

South African Death Notices for the MASHAO Families

The roots of the club had been amongst the English working class of the suburb although the players of the present day are from Maori and other Polynesian peoples. We decided to look at our whakapapa as a club, and to reinvent ourselves as a first grade entity.
