6 Spelling Strategies That Work (Plus a Spelling Lesson Plan)

Metalinguistic awareness and the vocabulary-comprehension connection. Teach your students how to use online and physical dictionaries to check their spelling. Benefits of Morphology Instruction Students who understand how words are formed by combining prefixes, suffixes, and roots tend to have larger vocabularies and better reading comprehension than peers without such knowledge and skills Prince, 2009.

Homeschool Reading and Spelling Curriculum, Programs

Templates are included with directions for assembly. Explicit instruction, careful selection of spelling words, and repeated and cumulative practice help students master each concept and reinforce and retain key information. Good spellers also have a positive attitude to spelling.

Homeschool Reading and Spelling Curriculum, Programs

Rhyming Rhymes will show students how common sounds often translate to common spellings. We will email you to let you know after your order. Follow these tips and techniques to master your weekly spelling words, or any list of spelling words.

Teaching Morphology: Enhancing Vocabulary Development and Reading Comprehension

Multisensory Introduction of Affixes A multisensory-guided discovery approach, as well as the use of an , are recommended for teaching affixes. Further, parts of words affixes can have separate meanings that can transform or morph word meaning.

Structured Literacy

The Initial task types and blueprints were approved and adopted by the State Board of Education on November 4, 2015. My students have greatly improved their spelling once I began implementing the strategies used in the book.

K

Several ideas include input from a family helper. In early grades, an emphasis should be placed on phonological awareness, phonics, encoding and practice in decodable texts until students are able to read real and nonsense words of all syllable types. The Starting Smarter website includes information on student score reports, sample test questions, parent-teacher conferences, and other no-cost resources in English and Spanish.
