Between 1886 and 1891, Butcher generated nearly 1,500 images in Custer County, Nebraska, a large county on the eastern edge of the state's geographically unique Sand Hills. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface.

## Prairie Settlement: About the Butcher Photograph Collection

Within the United States, you may freely copy and distribute this work, as no entity individual or corporate has a copyright on the body of the work. American history is made of two classes—the pioneer and the rest of the people.

Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.

**S.D. Butcher's pioneer history of Custer County : and short sketches of early days in Nebraska**

A settler under the , he began in 1886 to produce a photographic record of the history of white settlement in the region. He would journey for hours to reach the home of a family he wished to photograph, and often accepted food, lodging, and the stabling of his horses in exchange for a print.
