John, The Experience and Gospel Labours of the Rev.

Full text of ED366967: Colors of a Different Horse: Rethinking Creative Writing Theory and

It inscribes itself as a passion to communicate, an obsession to be understood. His use of titling is a stunning expansion of intertextuality, including official speeches, party meetings, new party directives, and ordinary letters from citizens. His wife had tried to help him first, all alone out here in this old growth forest that had called to them that morning, just as it had called to me.
