It seems almost tailor-made for the way I've been teaching the course and the material I always want to cover.

Europe Today Ser.: Europe Today : A Twenty

As in earlier editions, the book includes a time line, an introduction, country studies, and chapters that focus on significant trends. Germany, France, Great Britain, Italy, and the Scandinavian region are featured in all previous editions, whereas Russia and Poland, included in this fourth edition, did not always appear in older editions. The contributors, an authoritative group of Americans and Europeans, explore the new Europe, West and East, using intertwining themes of domestic politics, European integration, and European security.
