## 9 Fred Baier ideas

During those three years I made the boardroom table for Templeton College Oxford 50 panels veneered on the old college vacuum press , most of the furniture for one of the Roxy Music band members and won the Sunday Telegraph Craftsman of the Year award.

### Fred Baier

Moore found objects he could later twist into sculpture. Where do you get the ideas for your furniture from? Since the Seventies he has used convergent technologies including computers, mathematics, and theories of in his furniture designs. During those three years I made the boardroom table for Templeton College Oxford 50 panels veneered on the old college vacuum press , most of the furniture for one of the Roxy Music band members and won the Sunday Telegraph Craftsman of the Year award.

### Fred Baier

I was a guinea-pig user when the first 3D-modelling programmes were being developed by men with thick glasses in white coats and from the late 80s through to the early 90s my work was all about computer modeling and CAD.

### Fred Baier

I try to make new objects that are synonymous with the now and that contribute to the look of the moment. Hove Museum purchased a piece of mine to reflect my connections with the town. Several of my closest friends, including my wife, Lucy Strachan, my next door neighbour, Miles Davis, and my graphic designer, Moira Bogue, are from the time I taught there 1977 to 1980.
