Jami' al

Gunalan Nadarajan, Associate Dean of Research and Graduate Studies in the College of Arts and Architecture at Penn State University, draws on the work of al-Jazari, the famous 13th century Islamic scholar, engineer and scientist. This Khalwa insures the graduation of hundreds of the Quran memorizers.

About Us

In addition, we aim to encourage research and enquiry which the use of technology facilitates. This is the only written record left by al-Jazari.

About Us

For the complicated devices al-Jazari gave detailed drawings for their components so that the operation could be understood.

Abu Ishaq Ibrahim Ibn Yahya Al

Any other use of the hosted content, such as for financial gain, requires express approval from the copyright owners. His father was a supervisor in a Quranic sanctum, Founded at the beginning of the thirties for the memorization of the Quran, as it is well known in the whole country.
