## Evaluating transnational NGOs : legitimacy, accountability, representation in SearchWorks catalog

A next wave of research was presented in conference panels of the American Anthropological Association AAA , organized by the Association of Political and Legal Anthropology in particular. Some FOI laws have also been amended after original passage, sometimes in positive and sometimes in negative ways with regard to international standards.

## NGO Governance and Management

Journal of Humanitarian Assistance To attract professionals into the NGO world, salaries must be relatively high. Southern voices may drive the advocacy agenda on their own and via new partnerships with national governments or NGOs in the same region, replacing traditional North-South ties. Centre for European Policy Studies.

## Analysis of transnational advocacy networks : Networks Course blog for INFO 2040/CS 2850/Econ 2040/SOC 2090

But this Development and Cooperation article warns that the attention has highlighted NGOs' own needs for accountability as well.

## Transnational Advocacy and NGOs in the Digital Era: New Forms of Networked Power

The book endeavors to show how international activism can compromise local efforts, though in many cases the international activism is a necessary though not sufficient condition to bring about a solution. ArkZin 1994 This report examines what factors increase policy alliance effectiveness in achieving policy outcomes and strengthening civil society.

## Introduction: Transnational NGOs and Legitimacy, Accountability, Representation

International NGOs were important to the and movements, and peaked at the time of the 1932—1934. Specific NGOs specialize in helping people with certain illnesses, in addressing the needs of specific ethnic groups in certain areas, and in addressing highly specific issues. When the advocacy network becomes transnational, as the article states, there will inevitably exist internal tensions, which indicates the existence of negative edges that can potentially make the overall network unbalanced.

## **International NGOs play various roles in global politics; their scope for influence varies as do their legitimacy problems**

This undermines local primary-healthcare efforts, and removes the government's ability to maintain agency over its health sector. In recent years, the resurgence of authoritarian forms of national governance has been perceived as having diminished the opportunities for transnational non-state politics to flourish Heiss 2017. However, problems such as the unbalanced distribution of resource may gradually appear as the size of the network grows.

## **Transnational advocacy and domestic law: International NGOs and the design of freedom of information laws**

These developments have also led to an expansion in partnerships between northern NGOs and southern NGOs and have changed attitudes toward development interventions in the North.

## **Analysis of transnational advocacy networks : Networks Course blog for INFO 2040/CS 2850/Econ 2040/SOC 2090**

Abstract This dissertation furthers our understanding of transnational NGOs by comparing the participation of eight NGOs involved in the technological debates surrounding chemical and nuclear weapons disposal in the United States. Nina Hall is an assistant professor of international relations at. Effective prevention would make many NGOs jobless.
