Zhong and the Language of Clustered Meanings: A Synthetic Exploration of the Way of Zhong in Early Confucian Philosophy

They understood that all the disorders of the world were due to the fact that there was no political ruler. These essays explore important educational and cultural issues in China with a transcultural perspective.

Chinese philosopher: Feng Youlan

Touching does not give us what is white but only what is hard, and there is nothing white in this.

Feng Youlan

For example, a man of understanding will not be angry when rain prevents him from going out, but a child often will.

A Short History of Chinese Philosophy

There were specialists in magic, divination, astrology, and numerology, who were known as fang-shih, or practitioners of occult arts. That problem is how to preserve life and avoid harm and danger.
