### Ethical Issues Related to the Mass Marketing of Securities

With some brief exceptions, discussions do not condone or condemn the products or the marketing practices, and the exceptions are almost side-

notes. In the old prospecting country north of the San Fernando Valley, Gail Harris sits on a gold mine of dirty pictures. It provides references and documentation, as with any respectable research book, yet any new analysis or insight from the discussion is minimal.

### **Ethical Issues Related to the Mass Marketing of Securities on JSTOR**

Marketing such controversial products as cigarettes, alcoholic beverages, gambling casinos, firearms, and pornography entails a host of issues not faced by marketers working in industries that do not stir political or social opposition. When it comes, however, to the sex industry, which has been around since at least Biblical times, no one is ever happy with the solution. However, in order to be able to guarantee even greater mechanical and chronological precision than their human predecessors, production must be expanded to include three aspects: 1.
