**OralDNA® Salivary Diagnostics — Dentist Naperville, IL**

Biochem Med Zagreb 2015;25 2 :177-92. Theander E, Jonsson R, Sjöström B, Brokstad K, Olsson P, Henriksson G, et al. In book: Progress in Tumor Marker Research pp.

## The State of Salivary Diagnostics

Journal of Infection, 81, e45—e50. PMID: 32213337 Free PMC article. Collecting saliva also has a reduced potential for accidental transmission of infectious diseases compared to blood samples.

## Salivary/Oral Fluid Diagnostics

Salivary diagnostics for periodontal disease. Segmental Analysis The saliva collection and diagnostic market globally has been segmented on the basis of collection, application, end user and regions. CRP concentration decreased substantially after an effective treatment response.

## Saliva Collection and Diagnostic Market 2027

Salivary diagnostics is certainly the future of health care. There is an urgent need to increase the active research for the detection of SARS-CoV-2 in the saliva because the non-invasive salivary diagnostics may provide a reliable and cost-effective method suitable for the fast and early detection of COVID-19 infection. Prognostic Implication of Persistent Human Papillomavirus Type 16 DNA Detection in Oral Rinses for Human Papillomavirus-Related Oropharyngeal Carcinoma.
