## If I Die in a Combat Zone Characters

Lewis, Washington, O'Brien requests a meeting with the battalion commander, yet military hierarchy deems that before a soldier can meet with the battalion commander he must first visit the Chaplain, a military officer who is also a religious officiant and counselor. His academic perspective on the war both insulates him from the worst atrocities as he tries to frame them in the context of wars gone by and exposes the raw nerves that lie just below the surface, waiting to be scoured and exposed to the harsh light of reality.

He became convicted that the war in Vietnam was a farce and a mistake.

## Literature and the Vietnam War

I actually walked with Tim O'Brien in Vietnam and know this is a book of fiction, however a lot of what he talks about including a mission I was directly involved in was fairly accurate.

## If I Die in a Combat Zone: Box Me up and Ship Me Home by Tim O'Brien, Paperback

Her diary provides a necessary counter-balance to sympathy for the beleaguered American troops. Perhaps the character of the war, the troubling questions it could provoke, kept the writers glued to the daily course of battle, wary of analyzing their experience, and numb to the significance of what they were doing. A woman's shriek, a sizzle, a zipping-up sound.
