## Cadillac Fairview Releases 2017 Corporate Responsibility Report

However, in response to a preliminary report issued by our Offices, CFCL clarified, and its third-party Wi-Fi service provider verified, that the geolocation information described above could not in any practical manner be associated with, or linked to, logged-in Wi-Fi accounts, such that it was not personal information in that context. Certain information in this image has been redacted for anonymization purposes, namely: the kiosk and camera identifier pointing to a specific location, authorization code, and some numerical facial representation values which are in the same format as the values above and below the redaction.

## Cadillac Fairview Corporation Limited, The Company Profile

We found that the information collected from mobile devices of shoppers, who were not logged into Wi-Fi in CFCL malls, did not constitute personal information. Nevertheless, based on the terms of the Agreement, we understand that CFCL remained responsible for information collected by Mappedin on its behalf. The achievement of third-party industry recognition has long been acknowledged by Cadillac Fairview as a priority.

## L. Peter Sharpe, Former President & Chief Executive Officer at Cadillac Fairview Corporation Limited

The University of Western Ontario, which is commonly referred to among Canadian universities as Western, is a public research university located in London, Ontario, Canada. Fairview Corporation was established in 1958 as the real estate division of , the holding company of the.

## Skateboards & Boomerangs: Court of Appeal reverses boomerang summary judgment, clarifies use of hearsay in affidavits

Further information discovered during the course of the investigation prompted us to also consider the retention of personal information obtained through the AVA technology.
