The ICT Handbook for Primary Teachers: A Guide for Students and Professionals

All staff now use skill list to make assessment of pupil more continuity. Parents had feedback questionnaires once a term to help allow me to adapt my plan too based on their views.

The ICT Handbook for Primary Teachers: A Guide for Students and Professionals

ND and PB to help investigate.

Developing a Leadership Role within the Key Stage 2 Curriculum: A Handbook for Students and Newly Qualified Teachers

Across all my staff I expected to see lessons which had similar structures for pupils to feel comfortable with learning boundaries but still allowing for teachers the chance to use their initiative and creativity when planning and teaching lessons.

Key Stage 1 Teacher, Dubai, UAE

Most importantly, the activities are designed to make learning about stories as much fun as reading them. I knew it would be important across future years to continually look for new activities to not just create rugby players or footballers but sportsmen, who were ready to participate in many physical activities and try new areas. We celebrate positive emotions and accomplishments, encourage students to cultivate fulfilling relationships with others and to seek meaning and purpose in their own lives.
