## Cult Sect Overview

Cults or sects are religious movements, churches, or other organizations that have all or some of the following characteristics: 1.

## The Encyclopedia of Cults, Sects, and New Religions

Especially helpful is the table of proofs that Jesus is God with dozens of Old and New Testament references. They usually agree that the following are common characteristics of movements designated cults or sects. He contends that a new religion has at least four different, though overlapping, areas where legitimacy is a concern: making converts, maintaining followers, shaping public opinion, and appeasing government authorities.

This book, a must for all libraries and schools, will endure as the first and only point of reference for researchers, scholars, students, and anyone interested in fringe religious groups. In addition to the coverage of particular movements there are also entries on topics, themes, key thinkers and key ideas, for example the New Age Movement, Neo-Paganism, New Religion and gender, NRMs and cyberspace, NRMs and the law, the Anti-Cult Movement, Swedenborg, Jung, Teilhard de Chardin, Lovelock, Gurdjieff, al-Banna, Qutb. This is one of the better books you can buy on Cults, Sects, and New Religions.
