247 Solitaire

You can either drag the cards onto the Foundation, or just double click it and then it will go there by itself.

Solitaire Time

Or, if you have red 6, black 5, red 4 face up on one tableau, you can move all of them at the same time onto a Tableau with a black 7. For example, you could move a red 6 onto a black 7.

3 Card Solitaire

The Lounge Bar is the perfect place to party and enjoy the city lights. Each Undo counts as a new move though, so if you're trying to win the game in as few moves as possible you should be careful about how many undos you use.
