## The Proceedings of the Lincoln College Farmers' Conference 1964

His mentor had criticized it on the grounds that he had come to too many conclusions based on his own ideas. The Light of Other Days. Robert Francoeur, representing the American Teilhard Association, was an important member of the research team.

### Conferences

On 4 May, the works were dedicated to the themes of colour in the industry and took place in the city of Prato, famous for its textile industry. After a lively discussion in which I ventured a criticism of his ideas, I had an opportunity to speak to Teilhard privately.

## DOCUMENTATION IN CRIMINOLOGY: Proceedings of an Invitation Conference London, 5th November 1964

Transactions of the New York Academy of Sciences published March 1952. Pierre Teilhard de Chardin, some of which were posthumously published, are being edited and are gaining a good deal of success. The next year, Teilhard was called to Rome by the Superior General of the Jesuits who hoped to acquire permission from the Holy See for the publication of *Le Phénomène Humain*.

### American Teilhard Association / forerunners

The response to his writings by scientists has been mostly critical. This story remains to be written.
