Get Paid to be a Personal Grocery Shopper

This is all possible by working as a personal grocery shopper — which you may even be able to do full-time if you dedicate yourself to the cause. You control your own schedule to be a store shopper.

U.S. Food Shopping Behavior

Last year, 49% of shoppers chose a supermarket as their primary grocery store.

How to Get Paid To Grocery Shop For Others in 2021

Either iPhone or Android will suffice. The basic business model is a lot like that of many popular ride-sharing services.

Who Shops Where for Groceries: US Shopper Demographics

This example of market segmentation clearly identifies that consumers have distinctively different needs, even though they may be shopping at the same retail outlet. Loyalty to any single retailer or store is waning. If you play your cards right, you may be able to put enough money aside so that you can pay someone else to shop for your groceries someday.

Personal Grocery Shopper Jobs

This means that they are generally and easier to win segment, but much harder to retain in the long-term. Today, more households are , and going to many stores to fill their carts.

Online Grocery Industry Report: Market Stats in 2021

GlobalData uses the information in this form to provide you with occasional updates on new products and reports in accordance with your preferences. As a result, they tend to be attracted to well-known brands that run sales promotions on a frequent basis. Just a decade ago, two-thirds of shoppers 67% claimed a supermarket as their primary grocery.
