The great crimes of Soviet communism are mostly just remembered in the hearts and souls of the victims.

## Jailed Russian journalist Kirill Vyshinsky freed in seismic detainee exchange with Kiev — RT Russia & Former Soviet Union

In 1956, Soviet Premier Khrushchev decided that the Balts and other nationalities deported over the decades should be released. One had been investigating his colleague's murder and the second was following the ongoing tensions in the Caucasus. Perhaps the paper has been more focused

on the security of its own staff, after the editor-in- chief revealed that two journalists there had received death threats in recent days.

### **CAB Direct**

Andrejs Veckalns was a Social Democratic leader of the Parliament of the interwar Republic of Latvia and chairman of the Council of Labor Unions. By the next year most of the boys themselves had died from starvation and disease.
