### Mathematicians Awarded \$3 Million for Cracking Century

This calculation remains the most accurate calculation for  $\pi$  for close to a thousand years.

### Math News

Just make sure the angles of the different walls can be expressed as ratios of whole numbers.

### Mathematicians Awarded \$3 Million for Cracking Century

After working with thousands of students, I know one thing for sure: No one is born bad at math.

### Breakthrough Prize in Mathematics

To put in the our example: the program that issues keys to the music files can be distributed to anyone and they can not find the internal secret because it is encrypted.
