Book Details

She married Simon Bradstreet in 1628, and two years later the young family sailed for Massachusetts Bay.

Beyond Stateliest Marble

To think that she found time to write beautiful poetry in the midst of caring for a large family is truly amazing! Anne Bradstreet was born in 1612 to Thomas and Dorothy Dudley, a dedicated Puritan couple in Lincolnshire, England. To say that she didn't share egalitarian beliefs to ANY extent is as erroneous and ridiculous as claiming that Mark Twain didn't really believe in racial equality.

Beyond Stateliest Marble: The Passionate Femininity of Anne Bradstreet by Douglas Wilson

For one thing, there is no surviving portrait of her. She married Simon Bradstreet in 1628, and two years later the young family sailed for Massachusetts Bay.

Beyond Stateliest Marble: The Passionate Femininity of Anne Bradstreet: Douglas Wilson: 9781581821642

This book is divided into 2 parts: the first being a synopsis of her life and the latter being a close examination of her character. Eventually she owned up to the volume as her rambling brat.

Beyond Stateliest Marble: The Passionate Femininity of Anne Bradstreet: Douglas Wilson: 9781581821642

Her father and her husband subsequently served as governors of the new colony, but her enduring fame was to rest on her poetry, which she wrote regularly and circulated in her family for their private enjoyment. Five stars, because it was exactly the encouragement and perspective I needed. It

Filesize: 13.52 MB

was well-received, to say the least, and her poetry has been well-read ever since.

Book Details

The only thing I found more humorous than Wilson's thinly disguised anti-equality tirade is how grossly he and so many of his ilk simply don't get Biblical egalitarianism! It was within that context and out of that milieu that she produced America's first great literary works. I love this series, and it and Wilson were made for each other. If you're looking for a fine work dedicated to Anne Bradstreet, I suggest you look elsewhere.

Beyond Stateliest Marble: The Passionate Femininity of Anne Brads

These books are usually written in three parts, each one focusing on the life, the character, and the legacy of the subject, in this case, Anne Bradstreet. A good, but not great or thorough, biography as well as a look at real Puritanism

Beyond Stateliest Marble on Apple Books

Indeed, I too would wish to be a shame to the narrow mold of womanhood that people of the time held and that people like Douglas Wilson still hold. Even to those who know something of her, Anne Bradstreet remains an enigmatic figure. A discussion of Christian art and culture.
