**Larson, Rodney G.**

A bit further west on Route 6 is. The remaining five campgrounds are only accessible by either hiking or boating. Along the way, we visited amazing natural sites, went to the beach, toured great museums, and ate delicious meals.

**Larson, Rodney G.**

Between Wyalusing and Towanda, Route 6 follows along a ridgeline along the Susquehanna River. The picnic tables here make for a great picnic spot.

## 11 Camping Destinations In The Allegheny National Forest

Standing at 179 feet and over 1,877 feet wide the Kinzua Dam controls drainage on a watershed of 2,180 square miles. When leaving Carbondale, follow Business Route 6 southwest to.

## Opinions of campers and boaters at the Allegheny reservoir

The Baldwin-Reynolds House Museum is the home of the Crawford County Historical Society. Many SRS publications are available at cost via the.

## Piney Reservoir Clarion

This vantage point offers amazing views over downtown Milford and the Delaware River Valley. This 21,000-acre lake is almost completely surrounded by the Allegheny National Forest and stretches into New York.
