Ordnungsformen der Gewalt oder Aussichten auf das Ende des staatlichen Gewaltmonopols. We can date their first certain involvement from the fourteenth century, but East African city-states may have been trading with southern China even earlier.

Beyond State Failure and Collapse

Written in a style both provocative and unorthodox and using convincing arguments, this study casts doubt on some of the most sacred principles of the modern doctrine of international law. In their numbers, they live in abject poverty waiting for the ever elusive better life for all you and I promised them... However, Mr President your letter is fundamentally flawed in several respects and plays right into the hands of those who seek to destroy the ANC and build from its ashes a counter-revolutionary party under the guise of fighting corruption. Eine vergleichende Analyse politischer Einstellungen in Namibia und Botswana.
