Wiśniowa Cherry Flavoured Vodka (700ml)

Dodajemy do niego nalew oczywiście bez wiśni! Na dnie słoika pojawiła się około 3 cm warstwa osadu. The vintage year displayed on the product image may differ from the stock available in stores and online.

Stawski Wisniowka

A info o tym co zrobić z owocami dotyczy już jak wypijemy nalewkę? Po 2tygodniach trzymania wiśni zalanych spirytusem i wodą. Polish Wisniowka is much less sweet than other cherry cordials and because of that is a perfect ingredient of cocktails. Wystarczy przechowywać je w zamkniętym słoiczku w barku lub lodówce.

Bak's Wisniowka Cherry Liqueur

Your instructions say that after 4 to 6 weeks, strain, rebottle and age for 2 to 3 months. It would be such a waste not to use them. I like this for sipping or it makes a tasty cocktail with tonic water.

Wiśniówka (liqueur)

So this weekend I will be making my first batch. For those who are partial to cherry brandies and similar drinks, Wiśniowa Cherry Vodka will also be appreciated. Are you sipping it chilled? Wtedy zwiększy się moc nalewki.
